The Ride of Silence is a silent procession of bicyclists to honor those who have been killed or injured while bicycling on public roadways.

The Ride of Silence is a silent procession of bicyclists to honor those who have been killed or injured while bicycling on public roadways.

The Ride of Silence is a silent procession of bicyclists to honor those who have been killed or injured while bicycling on public roadways.

We ride in silence on this one night each year in unity with cyclists around the world to silently assert our right to share the road.

We ride in silence on this one night each year in unity with cyclists around the world to silently assert our right to share the road.
